RATIONALE

The Board of Education has a duty to protect and promote the health and wellbeing of all students and staff. The Board is acutely aware of the serious health risks associated with the use of tobacco products, both to users and non-users, and that most tobacco use begins by the age of eighteen. The Board recognizes that district personnel and school visitors serve as role models to students and, therefore, adopts this 100% Tobacco-Free School Policy to endorse a healthy lifestyle and prevent tobacco use.

Additionally, no student is permitted to possess cigarettes, other tobacco products, papers used to roll cigarettes, lighters or other paraphernalia at any time.

TOBACCO PROMOTION PROHIBITED
